Proof of purchase is required. Any charges for freight, removal, installation, or labor shall be the responsibility of the original purchaser. REPAIR OR REPLACEMENT OF SPECIFIED PARTS IS THE SOLE REMEDY OFFERED BY THIS WARRANTY. IN NO EVENT, SHALL AMARR BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES CAUSED BY OR RESULTING FROM DEFECTIVE GARAGE DOOR SECTIONS OR HARDWARE.

Limited Warranty for Steel Garage Doors

If your Comfortworld steel garage door sections rust through because of the paint finish cracking, checking, or peeling, Amarr will repair or replace those sections for the warranty period listed in the Limited Warranty table above. Chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty.

If an Amarr steel garage door is located less than 1.25 miles from salt atmospheres, the limited warranty for paint finish color change and chalking is only covered for one (1) year from date of purchase by the original owner. Garage door section rust-through due to the factory-applied paint finish cracking, checking or peeling is not covered.

A Comfortworld steel door is pre-painted with a factory-applied finish, but the door will accept a wide variety of commercially available **latex** exterior house paints, when applied in accordance with the paint manufacturer's recommendations. However, no warranty of paint compatibility is made or implied. **DO NOT USE OIL BASED PAINT.**

For all Comfortworld steel garage door models, if any section, part or hardware, excluding glass, frames, and inserts, is defective in material or workmanship, Amarr will repair or replace it for the warranty period listed in the Limited Warranty table above. The hardware warranty applies to standard lift and low headroom applications only (not to hi-lift or vertical lift).
